

AS TECHNOLOGY
EVOLVES
IN THEATER...

so do we.

RAYDON
always evolving
driver • medical • education • defense

By anticipating changing needs and new challenges, Raydon quickly and efficiently evolves to meet customer needs by providing practical, affordable training solutions to improve performance and achieve success. We specialize in developing new simulation and training technology for gunnery training, maneuver training, critical task training, and rehabilitation/assessment for Traumatic Brain Injury (TBI) and Post Traumatic Stress Disorder (PTSD).

From development to delivery, Raydon Corporation is always evolving.

NATIONAL GUARD

Features

ON THE COVER Gov. Chris Gregoire, D-Wash., bids farewell to the 81st Infantry Brigade Combat Team before the unit left for Iraq in 2008. AP

Inside

Volume 63, Number 9
www.ngaus.org

38 Wartime Governors

War on terrorism, homeland security have dramatically raised the stature of military matters to the governors—the Guard's state commanders in chief

44 Big Target

A proliferation of shoulder-fired missiles bolsters the need for countermeasures to defend the Air Guard's large aircraft

48 Spartan Outlook

A few months ago, C-23 Sherpa pilots were anxiously awaiting brand-new aircraft. Today, they're just hoping to keep their mission

58 Readers' Block

A recent Army Guard combat veteran fights PTSD and the publishing industry to share his story—and a few pictures

65 Equipping the Guard

NATIONAL GUARD's annual almanac of Army and Air Guard major vehicles, aircraft and weapons systems
