

OUR ADVERTISERS

Naturally, we wish to know that every advertisement in THE NATIONAL GUARD MAGAZINE pays. This is purely a business proposition, and it is not enough for us to know that this is the case. The advertiser must realize this also if our business relations are to continue. All readers of this magazine are, therefore, requested to read the advertising pages and to show an interest in them. This can be manifested by writing to advertisers and mentioning the fact that they read the advertisement in THE NATIONAL GUARD MAGAZINE. This will occupy but a few moments time, which can be spared by any loyal reader of the magazine. Following is the list of advertisers for January:
